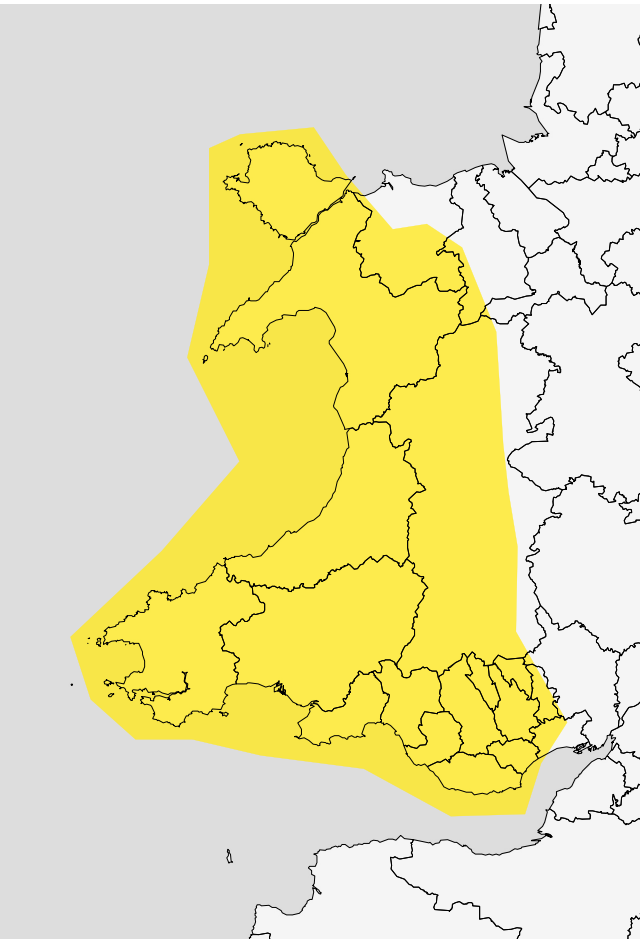
Yellow warning
Rain

Between
06:00 Thu 28 Oct 2021 and
15:00 Fri 29 Oct 2021



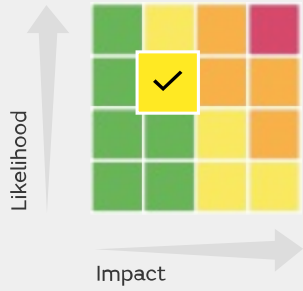
Spells of heavy rain will spread southeast across Wales through Thursday, before clearing east through Friday.

What to expect

- Flooding of a few homes and businesses is likely
- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer

Further details

Persistent and at times heavy rainfall, already affecting northwest Wales at the start of this period, is expected to spread southeastwards through Thursday before clearing on Friday. 40-60mm could fall quite widely within the warning area, but over 100mm is probable in a few spots, most likely over northwest Wales/Snowdonia. Heavier bursts are likely to be more isolated across south Wales, but where they do occur 40-60mm is possible in a 6-9 hour period.



Medium likelihood of low impacts
